

Christchurch City Council Lyttelton-Mt Herbert Community Board Electing 5 Board Members

Ann JOLLIFFE

My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.

I came to the Lyttelton in 1979 with my husband and children and over the years I have enjoyed being part of a vibrant community, through involvement in community groups. My interests lead me to be currently involved in heritage and cultural issues, including the museum's future, Information Centre Board, Cressy Trust Board, Reserve committees and all matters pertaining to Community Board, harbourwide.

I am an independent thinker, respect others views, can be a team player, advocating for the area's future. A future about preserving the best of our past and present, and negotiating a way forward to offer future generations a resilient, sustainable neighbourhood.

I believe I offer you experience, commitment, integrity, knowledge, vision and decisive decision making to meet these challenges, and will work with you to enhance our lifestyle together.
