

Christchurch City Council

Electing the Mayor

Brad MAXWELL

Independent

My principal place of residence is in the Christchurch City Council area.

I am also standing for the Shirley-Papanui Ward.

I'm married to Janice for almost 30 years, we have 2 adult sons. I am a company director of two companies. (which I will resign, upon being elected). There is no doubt that the last 3 years have been a rough road for everyone, and the next 3 - 6 years will see dramatic changes within our city and suburbs. This city needs strong leaders to drive this city forward, leaders who will listen and consult, leaders that make decisions in the best interests of this city and not a political agenda. The new council will need to challenge the processes of the past, be united as a council: I want to bring honesty, truth, integrity and accountability back to this city council. This is the most important election this city has ever faced, and it is in your hands to make your vote count.
