

Christchurch City Council Hagley-Ferrymead Community Board Electing 5 Board Members

Brenda LOWE-JOHNSON

The People's Choice - Labour

My principal place of residence is in the Hagley-Ferrymead Community Board area.

Over 40 years working in our community and three terms on community board have given me extensive knowledge of Hagley-Ferrymead.

My mother taught us to love all people, and I have always listened to her wisdom. My priorities are simple but important, focusing on the needs of the people. One example of my advocacy work was spending a week sleeping in my car to highlight the serious and too often ignored issue of homelessness in our ward. I have also advocated for a strong, safe, healthy city, and open, honest, decision making.

I'll continue standing for four particular issues: dedicated housing complexes for the elderly, a youth council to address youth needs, water, the vital necessity of our existence, which symbolises life, and to ensure that all people get their earthquake-related needs met as soon as possible.

I support a future for our ward that is shaped by more than money.
