

Christchurch City Council Spreydon-Heathcote Ward Electing 2 Councillors

Erin JACKSON

Awake at the Table

My principal place of residence is in the Spreydon-Heathcote Ward area.

Erin is a 24-year-old law graduate with a sharp mind and strategic governance experience.

As leader of the University of Canterbury Students' Association for the past two years, Erin has provided

clear leadership for the multi-million dollar organisation and served on a number of high intensity boards, both professional and voluntary.

She's respected for her robust, people-focussed decision-making.

Erin will ask the tough governance questions. She listens carefully and knows the strengths of our grassroots communities from her work with the Student Volunteer Army.

Erin is excited for the future of the Spreydon-Heathcote community, where she is a homeowner and resident.

One of a new generation committed to Christchurch, Erin has made a conscious choice to be part of the bright new future of this city. She asks for your vote to bring that future, built on strong community values and an inclusive, capable Council, to fruition.
