Helen BROUGHTON

iCitz - Independent Citizens

My principal place of residence is in the Riccarton-Wigram Community Board area.

I am also standing for the Riccarton-Wigram Ward.

A current Community Board Member and Councillor, Helen has the experience to achieve good urban planning in a ward under pressure from post-quake growth. She promoted a quality residential environment in the new land use plan. Helen cares about people: a forceful advocate on local issues, she initiated the recent liquor bans, chairs a community safety group and promoted the new Halswell Library, Southern Arterial route and retention of Riccarton Service Centre. A strong collaborative leader in post- earthquake Christchurch, she chairs the Finance, Heritage and Arts Committees and Mayor's Earthquake Relief Fund. Helen has worked to protect our heritage, leading Council's decision to retain the Town Hall; former Trustee Riccarton House and Canterbury Museum. A Human Resource Manager, trained teacher and counsellor, University Canterbury graduate, MA[Hons]. An experienced Community Board member and resident over thirty years, her two children growing up here, Helen delivers results for residents. www.helenbroughton.co.nz
