My principal place of residence is not in the Riccarton-Wigram Community Board area.

Let me serve you! As a young Christchurch born 21 year old who had a life threatening illness last year, which taught me and made me keener to appreciate every minute of life, I approach all things with an energetic, youthful vitality. In our community, I attended Middleton Grange where I was a Prefect and Student Representative on the Board of Trustees gaining insight into governance issues while serving the community. I am in my fourth year studying a Law and Arts degree with a double major in History and Political Science. I have strong interests in Cultural Arts, being a member of the Christchurch Youth Choir and local community group. I highly value honesty and integrity through which open communication can bring timely, positive outcomes, believing the community is society's greatest asset. My heart is to work with people; listening, helping, so that together the best can be achieved.
