

# Christchurch City Council

## Burwood-Pegasus Ward

### Electing 2 Councillors

---

#### Linda STEWART

Independent

*My principal place of residence is in the Burwood-Pegasus Ward area.*

*I am also standing for the Burwood/Pegasus Community Board.*

**BURWOOD PEGASUS - the city's RECREATIONAL PLAYGROUND.**

I have advocated strongly for this as our overarching post-quake recovery strategy capitalising on our existing assets. The Avon River Corridor. Our Coastline. Bottle Lake Forest. QE II.

Our ward needs the following Anchor Projects:

The best possible aquatic facility

New Brighton becoming a major attraction

Avon River and South Brighton Reserve Restoration

Retaining and embracing new recreation

Quality infrastructure- roads, footpaths and services

Skills: Strategic Planning Consultancy. Experience: Six years Community Board member - three as Board Chairperson. Through my local government experience working in our ward I will take to the Council table the view of a committed and involved community member who as a resident of 40 years, will not allow Burwood/Pegasus to continue to be forgotten.

If successful your vote for me will ensure the Burwood Pegasus voice will not be unheard at the Council table.
