

Christchurch City Council Lyttelton-Mt Herbert Community Board Electing 5 Board Members

Malcolm LEITCH

My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.

What I stand for:

Community facilities: I will advocate for urgent repair/rebuild of our community facilities.

Port and town: I will create closer links between the two, finding acceptable solutions for issues such as public access to the port, heavy transport issues, ferry location, port development, and cruise ships.
Urban renewal: I will support local economic recovery by engaging the business community, encouraging dislocated businesses' return and attracting new businesses, by working to provide viable short- and long-term commercial property solutions and restoring a sustainable local economy.

Education: I will encourage meaningful engagement between all stakeholders in the changes to our schools, delivering the solution we all want; the best education and educational environment for all of our children.

Character: I will nurture and protect Lyttelton/Mt Herbert's unique environment, and engage with the community to deliver what is best for our community; acknowledging the past and looking to our future.
