

Christchurch City Council Shirley-Papanui Community Board Electing 5 Board Members

My principal place of residence is in the Shirley-Papanui Community Board area.

I live in St Albans with my wife, Fiona, and teenage son. I'm a manager, a keen cyclist and I play rugby. I'm a very practical person - a straight talker, a good listener and a team player. I've seen a lot of changes in the ward over the years, not all of which have been beneficial to the community. That's why I believe community boards must be given more say in the decisions that affect us. There are plans to divide St Albans with a major traffic thoroughfare. Is that what we want and who decides? This ward has many residents with TC3 properties, a lot of which are affected by flood risk. What is the council doing? These are the sorts of issues that show why we need a fresh and committed community board. A vote for me will give you a strong voice at the table.
