## **Peter LALOLI**

iCitz - Independent Citizens

*My principal place of residence is in the Riccarton-Wigram Community Board area.*

*I am also standing for the Riccarton/Wigram Ward.*

Like you, I am concerned about our city.

After 45 years of living and raising a family here and many years of community service, including 41yrs Police service and 12yrs on the Community Board, I feel I am well qualified to seek the City Council position.

I believe in accountability in all areas of public service and city government. I will represent all the people and business. I will work to develop a sustainable community that creates a healthy environment that deals with concerns of the city rebuild, traffic and urban development.

I want to include YOU in the process of local government.

I will bring to the Council an open and common sense approach to decision making.

I will listen to all community concerns, honouring this most fundamental principle of sound governance.

Together we can solve the issues that face our city.
