

Christchurch City Council

Riccarton-Wigram Ward

Electing 2 Councillors

Sara HARNETT

Independent

My principal place of residence is in the Riccarton-Wigram Ward area.

I am married to Tjeerd and we have two children (16yrs & 11yrs). Over the past 25 years we have built up a successful farm based export business. In the past I have represented New Zealand internationally as a distance runner, nowadays I am a keen cyclist as well as supporting and encouraging our girls in their chosen sports. I have a strong interest in planning and design and how it impacts on the environment and ones quality of life. I believe that people in the Riccarton Wigram ward deserve better! I remember the Share An Idea seminar after the earthquake and been surprised by how many people thought that Green Space and Sustainable Transport were important. What happened to those aspirations? Ask yourself the question, what is your vision for Christchurch? Mediocrity or a city with vitality?
