

Christchurch City Council Riccarton-Wigram Community Board Electing 5 Board Members

Shirish PARANJAPE

iCitz - Independent Citizens

My principal place of residence is not in the Riccarton-Wigram Community Board area.

Since moving to Christchurch in 2002, I have been an integral part of our community. I love our city and am passionate about its future.

I am a university-trained electrical engineer, active Rotarian, Justice of the Peace, Vice-President of Christchurch Multi-Cultural (formerly Ethnic) Council and volunteer treasurer. I am an international marketing manager for a local export-oriented manufacturer. I have travelled to many countries, giving me an appreciation of different cultures and ethnicities. These experiences have taught me the value of community engagement, cultural diversity and prudent money management.

My wife works in banking. Our two daughters are independent, which gives me time to use for the betterment of our community.

Your vote for me will ensure that you are represented by a person with integrity and passion for the role. I promise you full transparency and total commitment.

I will deliver results for you
