Electing 5 Board Members

Wayne HAWKER

Independent

My principal place of residence is in the Hagley-Ferrymead Community Board area.

I am also standing for the Hagley/Ferrymead Ward.

I am very active in the community and have been involved with many community and sporting organisations for over 30yrs. Currently working in a voluntary role within 6 community and sporting organisations inclusive of Hagley/Ferrymead Small Grants funding committee. I have worked in both governance and management within these organisations, having prepared policies / procedures while also preparing budgets of differing scales. All of this gives me a good insight into some of what is likely to be involved on the Community Board

Inclusive of many activities I have undertaken in the community I have campaigned against inappropriate liquor outlets in our community with success and believe the Community Board needs members who are currently active within the communities they live. Having lived in The Hagley/Ferrymead Ward for the past 32yrs I am committed to continuing to work and support the vast communities that make up this ward.
