### **Fees and charges set under section 12 Local Government Act 2002**

#### **Corporate**

##### **Debt Collection**

Where any fee or charge (or other amount payable) has not been paid by the due date, the Council may commence debt recovery action. The Council reserves the right to charge interest, payable from the date the debt became due, at the prescribed rate under section 62B of the District Courts Act 1947.

The Council also reserves its right to recover the costs incurred in pursuing recovery of the debt on a solicitor / client basis. Debt recovery action commences when the Council sends the debt to a debt collector or a lawyer to be recovered, whether or not any court proceedings are issued.

##### **Online or Credit Card Payments**

The Council is not obliged to accept any online or credit card payment. Where such payments are accepted, the Council reserves the right to add a surcharge to the amount being paid, to approximately meet the costs incurred by the Council as a result of this acceptance.
