IN THE MATTER of the Resource Management Act 1991

AND an appeal under clause 14 of the First Schedule of the Act regarding Proposed Plan Change 4 to the Christchurch District Plan

BETWEEN AIRBNB AUSTRALIA PTY LIMITED

(ENV-2022-CHC-19)

Appellant

AND CHRISTCHURCH CITY COUNCIL

Respondent

Environment Judge J E Borthwick – sitting alone under s 279 of the Act

In Chambers at Christchurch

Date of Consent Order: 24 July 2023

**CONSENT ORDER**

---

A: Under s 279(1)(b) of the Resource Management Act 1991, the Environment Court, by consent, orders that:

- (1) the appeal is allowed to the extent that Christchurch City Council is directed to amend the provisions in the Christchurch District Plan as set out in Appendix 1, attached to and forming part of this order;

(2) the appeal is otherwise dismissed.

B: Under s 285 of the Resource Management Act 1991, there is no order as to costs.

## REASONS

### Introduction

[1] This proceeding concerns an appeal by Airbnb Australia Pty Limited against the decision of the Christchurch City Council on proposed Plan Change 4: Short-Term Accommodation ('PC4') to the Christchurch District Plan. PC4 relates to visitor accommodation in residential units. The proposed changes applied to both hosted and unhosted accommodation.

[2] I have read and considered the consent memoranda of the parties dated 26 April 2023 and 30 June 2023. I have also read and considered the affidavit of Mr Ian Bayliss<sup>1</sup> filed in support of the proposed resolution of this appeal.

[3] The agreement reached involves various amendments to the wording of the plan change provisions in Chapters 12 Papakāinga/Kāinga Nohoanga Zone, 13 Specific Purpose Zones, 14 Residential, 16 Industrial and 17 Rural. The agreed changes provide greater policy certainty and clarity on how visitor accommodation is to be permitted, managed, and avoided, with rules clarifying when visitor accommodation and its benefits can be permitted without inappropriately compromising residential character and amenity.

---

<sup>1</sup> Affidavit of Ian Bayliss affirmed 18 April 2023.

## Other relevant matters

[4] Several parties<sup>2</sup> gave notice of an intention to become a party to this appeal under s 274 of the Resource Management Act 1991 ('the RMA' or 'the Act') and have signed the memorandum setting out the relief sought.<sup>3</sup>

[5] The parties agree that costs should lie where they fall and accordingly no order for costs is sought.

## Outcome

[6] The court understands for present purposes that all parties to the proceeding have executed the memorandum requesting this order, and are satisfied that all matters proposed for the court's endorsement fall within the court's jurisdiction and conform to the relevant requirements and objectives of the Act including, in particular, Part 2.

[7] On the information provided to the court, I am satisfied that the orders will promote the purpose of the Act so I will make the orders sought under s 279(1) RMA, such order being by consent, rather than representing a decision or determination on the merits pursuant to s 297.
