Consultation Document Submissions

Provision:

Oppose

Decision Requested:

A complete rejection of the proposed subdivision we don't need another subdivision with houses packed in like sardines that all the look the same with no character

Reason for Decision Requested:

Specific Provisions

all of the whisper creek subdivision and rezoning to rural fringe

Reasons

Our property will be right up against the back of the proposed subdivision this will likely cause a increase of traffic and noise, we previously purchased the property for the close proximity to town with the mix of country lifestyle and safe environment to raise my children, building a subdivision across the road will destroy everything good about the area.
