### Consultation Document Submissions

**Provision:**

#### Support

##### Decision Requested:

As we intend on remaining on our property at 156 Turners Rd, we would like to be involved in the decision making determining the size of the sections, recreation and water areas. We require provision to access the water supply, sewerage, power, and stormwater and any other services available eg fibre network

**Reason for Decision Requested:**

#### Specific Provisions

ALL - our submission relates to all parts of the plan change as we are part of the proposed zone change.

#### Reasons

To allow growth in the area and to help grow the local primary school, Ouruhia School. As our grandchildren live in this street, Improvement of the road structure with cycle track allows it to be safer for children to bike/walk to school. The possibility of public transport, in the future is a positive for us as we age. Improvement/development of recreational areas
