APPENDIX 3 - CRITERIA MATRIX FOR FIVE YEAR ARTWORK IN PUBLIC PLACES PLANNING

Criteria		Additional Information
Place Related Criteria	l Vac Ma	I I
Linked to Walkways & Cycleways Commercial Activity/Housing Density	Yes/No Special Purpose Pedestrian Zone (SP) & Central City Zone (CC)	
(refer to City Plan Zones)	Central City Edge Zone	
	Business 2 (District Centre Zone) Larger District Centre eg Riccarton,	
	Sydenham	
	Business 2 (District Centre Zone) Smaller Districts e.g. Woolston, Aranui,	
	Edgeware	
	Living 4A (Central City - Diverse) Zone & Living 4B Zone (Central City & North Beach -High Rise) & L4C (Central City - character)	
Spacial Significance ie association with existing natural, historical, park/reserve, cultural, heritage feature/building	Yes/No	
Association with Facilities	Strong association with a major facility ie Sport Facility (QEII, Jade	
	Stadium, Westpac Trust, Pioneer), Education Facility (Canterbury	
	University, Polytechnic, Christchurch College of Education), Cultural	
	Facility (Christchurch Art Gallery, Christchurch Arts Centre, Museum,	
	Town Hall, Central City Library), Hospitals (Christchurch Public, Christchurch Women's, St George's, Burwood).	
	Major Sport and Recreation Facilities*	* as defined by Major Recreation & Sport Strategy
	Ecucation Facilities (Secondary, Intermediate, Primary Schools),	as defined by major recreation & oport offategy
	Community Centres (including Arts Centres), Community Library,	
	Summer Pools, Rehua Marae and Nga Hau E Wha, CCC Service	
	Centres, Visitor Centres.	
	Pre-schools, Suburban Pools and Voluntary Libraries.	
Visibility based on vehicular troffic	No association with a facility	
Visibility based on vehicular traffic flow - street hierarchy (refer map)	Major arterial	These are rated using road classifications.
now - sueer merarchy (refer map)	Minor arterial	
	Collector	
	Outer ring route	
Association with Public Transport		These are rated by Transport & City Streets
Interchanges	bus exchange and suburban bus interchanges	Planners
	other interchanges (coaches, airport, Lyttelton ferry)	
	bus stop serving two or more routes bus stops serving one route	
Project Related Criteria		
Support from research and/or	Specific & over whelming support	Not yet applied
consultation		
	General/non specific. Some support	
consultation	General/non specific. Some support No supporting research or consultation	
consultation Artwork link to other planning	General/non specific. Some support No supporting research or consultation Artwork specifically identified	Not yet applied
consultation Artwork link to other planning processes e.g. Reserve Management	General/non specific. Some support No supporting research or consultation Artwork specifically identified	
consultation Artwork link to other planning	General/non specific. Some support No supporting research or consultation Artwork specifically identified	
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living	General/non specific. Some support No supporting research or consultation Artwork specifically identified	
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme	General/non specific. Some support No supporting research or consultation Artwork specifically identified	
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning	
<i>Artwork link to other planning processes</i> e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) <i>Integrated with a capital programme</i> (programme identified)	General/non specific. Some support No supporting research or consultation Artwork specifically identified	
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning	
<i>Artwork link to other planning processes</i> e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) <i>Integrated with a capital programme</i> (programme identified)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No	Not yet applied
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning	
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No	Not yet applied
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No	Not yet applied
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding	Not yet applied
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding	Not yet applied
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding	Not yet applied
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding	Not yet applied These are rated externally by Art and Industry
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding	Not yet applied These are rated externally by Art and Industry Not yet applied
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding	Not yet applied These are rated externally by Art and Industry
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City) Cultural significance to Maori	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people. Tourist Information maps are referred to.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City) Cultural significance to Maori (external feedback obtained)	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people. Tourist Information maps are referred to.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City) Cultural significance to Maori (external feedback obtained) Bonus Criteria	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people. Tourist Information maps are referred to.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City) Cultural significance to Maori (external feedback obtained) Bonus Criteria Outstanding factors, for example,	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people. Tourist Information maps are referred to.
Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City) Cultural significance to Maori (external feedback obtained) Bonus Criteria Outstanding factors, for example, innovation, grand vista (visual	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people. Tourist Information maps are referred to.
consultation Artwork link to other planning processes e.g. Reserve Management Plan, Neighbourhood Plan, Living Street Plan etc) Integrated with a capital programme (programme identified) External funding sources (based on potential to secure external sponsorship/funding) Identified stakeholders (based on whether identified stakeholder group support) People Related Criteria Identified with Council Target Groups (refer to Council Policy Register) Association with Visitors (based on the degree to which the location/site is frequented by visitors) Association with a significant event (whether associated or adds value to a major event for the City) Cultural significance to Maori (external feedback obtained) Bonus Criteria Outstanding factors, for example,	General/non specific. Some support No supporting research or consultation Artwork specifically identified Artwork identified in a very general way Not identified in other planning Yes/No Very high potential to raise external funding No potential to raise external funding Yes/No Yes/No Yes/No	Not yet applied These are rated externally by Art and Industry Not yet applied Examples include older adults, children, young people. Tourist Information maps are referred to.
