The general nature of the premise is that of a Tavern.

A sale and purchase agreement has been supplied with the original application.

The granting of a Temporary Authority is governed by section 136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

This is an application by Persian Kitchen Ltd for an On Licence for premises known as Persian Kitchen situated at 325 Stanmore Road, Christchurch. The general nature of the business is that of a restaurant.

The application relates to premises that were previously licensed. Unfortunately the applicant inadvertently failed to apply for a renewal of his licence and it lapsed on 30 August 2014. An application for a new licence therefore became necessary and was lodged on 26 September 2014. The applicant Mr Coskun was warned by both the Licensing Inspector and the Police not to sell alcohol until his new licence was granted but it seems he decided to take the risk rather than disappoint or lose customers and was caught. He appeared in the Christchurch District Court on 12 November 2014 on a charge of allowing unlicensed premises to be used for the sale of alcohol and was fined \$500.

The reporting agencies initially objected to the granting of the license but withdrew their objections when the matter had been dealt with by the Court. At the hearing today both the NZ Police and the Licensing Inspector referred to the applicant's previous good record and reiterated their view that a licence should be granted.

The Committee explained to Mr Coskun that it took a different view which was the reason for the public hearing today. In the Committee's view the matter of the application for a licence and the prosecution for selling alcohol without a licence had to be seen separately. While Mr Coskun had been dealt with by the Court, the Committee still had a duty to consider his application for a new licence against the criteria set out in s105 of the Act. Specifically the Committee is required to determine the suitability of the applicant pursuant to s105(1). There was agreement that other matters were not contested, the sole issue being one of suitability.

Evidence of Mr H.Coskun

Mr Coskun was sworn and gave evidence that when he found that his licence had expired he hoped that it would be possible to obtain a new licence within a few days. He had a number of bookings for meals at the restaurant and was reluctant to tell customers that they were unable to be supplied with alcohol. He decided to take the risk and sell alcohol without a licence. He acknowledged that he was warned not to do so by both the Licensing Inspector and the Police. Unfortunately for him an inspection visit by the Police found customers drinking alcohol which led to the Police prosecution. Since then Mr Coskun says he has put up signs that he cannot sell alcohol and has informed intending diners accordingly. While his customers come primarily to dine most want a glass of wine or beer with their meal. Not being able to serve them has led to a significant loss of custom and income. This has been very stressful to him and also to his wife who is unwell and not able to cope with customer contact at present. This is a busy time of year and he faces financial difficulties if he is unable to obtain a licence quickly. In particular he was very worried about a group of 30 which had been booked in for the following night. He had not had the heart to tell them that he was not currently able to serve alcohol.

The Committee observed that Mr Koskun was genuinely distressed at the situation he found himself in. Mr Trainor in his submissions confirmed that the experience had been very bad for both Mr Koskun and his wife. The prospect of repeat offending was extremely remote. Given his previous good history the Committee was urged to grant the licence just as soon as was possible. The Senior Licensing Inspector submitted that if the Committee had a mind to give a verbal decision then he could ensure that the licence was issued immediately.

Decision

The Committee is satisfied that all the matters it is required to consider have been addressed. The only issue before this hearing was that of the suitability of the applicant given the recent prosecution for selling alcohol while he did not hold a licence. The Committee is now satisfied on this point. The whole matter has cost Mr Coskun and his wife dearly both in terms of significant financial loss and in the loss of customers. We are satisfied that we can consider that

matter as a one off breach. Accordingly we grant the applicant an On Licence pursuant to s104(1) with immediate effect. The licence may issue forthwith provided the required fees have been paid. The licence will have a term of one year.

The applicant's attention is drawn to s259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act specifically ss 46 to 63.

The licence will be subject to the following conditions:

This is an application by **Imperial Discount Liquor Limited** for the renewal of the Off-Licence in respect to premises situated at **150 Yaldhurst Road CHRISTCHURCH** and trading as **Henry's Yaldhurst Road.**

The applicant has previously operated a bottle store from this location, but inadvertently allowed the licence to expire in September 2014. He now seeks a new licence to operate the premises as before.

The applicant is reminded that it remains his responsibility to ensure the currency of his licence. In the event that his licence should expire he is expected to stop trading immediately. Not to do so is an offence under this act and would go towards their suitability to hold a licence. Should there be any doubt about the licence, appropriate advice should be sought.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

No matters have been raised in opposition in any reports as required by section 103(1) and accordingly we deal with the matter on the papers.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63. 231(1).

This is an application for the renewal of an off-licence for a grocery store.

The premises comes under section 32(1)(f) of the Act as it is under 1000m²

The file contains a report from the Alcohol Licensing Inspector in which she canvases a number of issues relating to the new provisions of the Act regarding single area conditions.

Although there is no opposition to the application from the reporting agencies and no public objections, there are still some issues regarding the placement of the single area.

There are a number of appeals before the Alcohol Regulatory and Licensing Authority which have yet to be decided. These may speak directly to the single area conditions.

In the interests of making a decision informed by appropriate case law the application will be adjourned.

The matter is adjourned sine die until the appeals of a similar nature have been determined.

Spice Paragon.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION ON THE PAPERS

This is an application by Spice Paragon Victoria Limited for a variation to their On-Licence in respect to premises situated at 76 Victoria Street, CHRISTCHURCH, trading as Spice Paragon.

This is a new premise which has a Restaurant style licence to allow it to sell alcohol to patrons principally there for the purpose of dining. This licence number is 60/N/159/2014. The whole of the premises is undesignated.

The licensee has separated an area within the restaurant, which he now intends to operate as a "Bar". He has named the Bar "Khao San Road". The manner in which he intends to operate this area is best managed under the Act by having the bar area designated as "Supervised".

Section 119(1) of the Act will apply to these premises. The bar area, identified on the submitted application is to be designated as a supervised area. Minors must not be admitted to this area of the premises unless accompanied by a parent or guardian.

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Restaurant and its principal purpose is the consumption of food. The bar area, to which this variation applies, will operate separately under its own conditions.

A waiver is sought in respect to the public notice being advertised outside of the period prescribed in the Act. This is granted.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the variation for the licence to operate the alcohol sales in the Bar and Restaurant.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

The following conditions are compulsory:

Thursday to Saturday 11.30am to 1.00am the following day.**

No alcohol is sold on or supplied on the premises on Good Friday, Easter Sunday or Christmas Day, or before 1 pm on Anzac Day; and

- (b) **water will be freely available to customers on the premises while the premises are open for business.**

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION ON THE PAPERS

This is an application by The Rendezvous on Barrington Limited for a renewal and variation of their On-Licence in respect to premises situated at 250 Barrington Street, Christchurch, trading as Rendezvous on Barrington.

The general nature of the premise is that of a Tavern.

Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Tavern style facility. It also operates a restaurant as a substantial part of its business. There are two changes that the applicant requests in respect to their licence. The first is an increase in the trading hours of the bar.

Currently, the Restaurant is able to sell alcohol until 1.00 am, to those patrons partaking in a meal. The applicant seeks to be able to sell alcohol in the "Bar" until 12.30 am.

These licensed premises are in the business area of the Barrington Street shops, but they also border a residential area. Any proposed extension of the hours must take into account possible disruption to neighbours. The applicant has obtained a resource consent to be able to operate the bar area until 12.30am.

The licensing Inspector has stated that no adverse effects will occur on the residential amenity from the extension of the hours. We agree with this assessment.

The second variation sought is to allow the applicant to extend the licensed area to include an area of footpath outside the front of the premises. This area is less than 8 square metres in total and is capable of seating only a very small number of patrons. The area will need to be well defined and well managed but we do not think that this will pose a problem for a proactive manager.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The maximum occupancy of these premises is 175 persons.

The hours sought are consistent with other city premises which operate as a tavern style facility.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

We are satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and we grant the licence for a period of 3 years pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

- (a) Alcohol may only be sold the following days and during the following hours:

Inside of the premises including the rear Garden Bar:
Monday to Sunday 8.00 am to 12.30am the following day

Outside Footpath Area
Monday to Sunday 10.00 am to 11.00pm the Same day

No alcohol is sold on or supplied on the premises on Good Friday, Easter Sunday or Christmas Day, or before 1 pm on Anzac Day; and

- (b) water will be freely available to customers on the premises while the premises are open for business.

Discretionary conditions – section 110 (1)

- (a) the following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

- (b) the following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

- Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.
- The outside area is only used by seated patrons
- Physical measures are in place before 1 November 2014 to ensure patrons do not encroach further onto the footpath.

- (c) the following steps must be taken to promote the responsible consumption of alcohol:

- The licensee must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.

Other restrictions and requirements

Section 50 – One-way door restrictions in local alcohol policies to be complied with.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION ON THE PAPERS

This is an application by V Street Limited for a variation to their On-Licence in respect to premises situated at 131 Victoria Street, CHRISTCHURCH, trading as Mexicano's & Dirtylands .

These premises are currently licensed under licence number 60/ON/49/2009 to operate principally as a tavern. The whole of the premises operate under a 'supervised' designation. This is appropriate for premises with this style of licence.

The applicant has two separate and distinct areas within the premises. He proposes to make one area, currently called Mexicano's more family friendly and will operate principally for the consumption of food. He therefore wishes to have this area 'undesignated' whilst retaining the designation of 'supervised' within the area of the premises known as Dirtylands. He proposes to have a manager appointed to each of these separate areas.

The Licensing Inspector has rightly identified a risk that people under 18 years of age could be in an undesignated area later in the evening when the area known as 'Mexicanos' changes from being a dining area to being one principally for the consumption of alcohol. In order to be able to ensure compliance with the principles of the Act we determine that the designation of 'supervised' should be reinstated in Mexicanos after 9pm. Minors must not be admitted to supervised areas of the premises unless accompanied by a parent or guardian.

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the variation for the licence to operate the alcohol sales in the Bar and Restaurant.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

DECISION ON THE PAPERS

This is an application by C G & K R Meyer Limited for a Temporary Authority in respect to premises situated at 800 Harewood Road STREET, CHRISTCHURCH, trading as Café Raeward and Raeward Fresh

There are two licenses and therefore two applications. For Café Raeward the general nature of the premise is that of a Café. For Raeward Fresh, the general nature of the business is that of a grocery store. Both premises are distinct and separate.

A sale and purchase agreement has been supplied with the original application.

The granting of a Temporary Authority is governed by section 136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

The applicant fulfils the criteria for the granting of an authority as set out in the Act.

There is no opposition from the Licensing Inspector or the Police.

We are satisfied as to the matters we must have regard to, as set out in section 136 of the Act.

The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license" and also to section 110(2) (C) of The Act in relation to the condition of the license that "drinking water is to be freely available to customers while the premises are open for business".

premises situated at 345

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION ON THE PAPERS

This is an application by Tuau Duc TA for a new On-Licence in respect to premises situated at 345 Stanmore Road CHRISTCHURCH, trading as Little Star Vietnamese Restaurant .

The general nature of the premise is that of a Restaurant.

Accordingly we deal with the matter on the papers. Both the Medical Officer of Health and the Licensing Inspector have raised the issue that there is only one Manager to supervise the sale and supply of alcohol at these premises. They rightly hold that it is not possible for one person to on premise 7 days a week during the times that the Restaurant is open to sell alcohol. For that reason they have objected to this application. The applicant points out that there is currently no other employee suitable to hold a Managers Certificate.

The Applicant accepts that he cannot manage the sale and supply of alcohol effectively by being at the premises during all the hours it is open or on call. He has agreed to the following undertakings:

1. When the premises is open and an authorised Duty Manager is not present, alcohol will not be sold and appropriate signage will be clearly displayed stating that alcohol is currently not available for sale.
2. If a staff member is employed that is suitable to hold a Manager's Certificate, they will complete the Licensed Controllers Qualification and apply for a Managers Certificate.
3. That he is aware that a Licensing Inspector will monitor the premises for compliance, If he does not comply with the above undertaking, that this could result in the application for a renewal being reheard by the District Licensing Committee, or enforcement application by the Licensing Inspector.

On the basis of the undertakings given by the applicant the opposition of the Medical Officer of Health and the Licensing Inspector has been withdrawn.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Restaurant and its principal purpose is the consumption of food. These premises have been previously licensed.

It has a maximum occupancy of 80.

The hours sought are from Monday to Sunday, 11.30am till 11pm the same day. This is consistent with other premises which operate as a Restaurant.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the licence for a period of 3 years , pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

(a) Alcohol may only be sold the following days and during the following hours:

Monday to Sunday 11.30 am to 11.00pm the same day.

No alcohol is sold on or supplied on the premises on Good Friday, Easter Sunday or Christmas Day, or before 1 pm on Anzac Day; and

(b) water will be freely available to customers on the premises while the premises are open for business.

Discretionary conditions – section 110 (1)

(a) the following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(c) the following steps must be taken to promote the responsible consumption of alcohol:

- The licensee must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.
