Request

I would appreciate a list of the 45 properties deemed to be surplus to council requirement and I make this request under the LGOIMA.

Council Response

The list of properties is publicly available on our websites. You can find the initial draft for consultation [here](#). Based on feedback, the Council decided to dispose of 43 properties, retain 1 property and further investigate 1 property. The final list and decisions can be in the [agenda](#) and the [minutes](#) for the 24 June 2025 Council meeting. These properties represent less than 1 percent of Council's portfolio. As this information is already publicly available, we consider your request complete under the following section of the LGOIMA: 17(d) the information requested is or will soon be publicly available.
