**Go by bus**

If you want to be flexible and use different ways to get to your destination, take your bike on the bus! All Metro buses are equipped with a bike rack that can hold up to two bikes. They are free and easy to use.

From the Bus Interchange you can travel to any suburb in the city. You can also leave your bike in the secure bicycle park and practice using a bike rack. If you travel on the bus make sure you have a Metocard. It’s at least 25% cheaper than paying a cash fare.

**Cycle training**

You also might like to know that Council runs cycle training in 90 Christchurch schools teaching kids in year five and six to ride with confidence. Our new cycleways are great places to practise new riding skills.
