

We're working in your area

Nor'west Arc cycleway

What	We are implementing a temporary traffic management layout
Where	Ilam Road/Memorial Ave intersection
When	From Monday 16 October, for approximately 8 weeks
Why	Our network of cycleways are making it safer and easier for people to cycle. More people cycling eases the pressure on our roads.
Contact	Fulton Hogan on 0800 7623 34 (0800 ROAD FH) (Mon - Fri, 8am - 5pm) or email cant.info@fultonhogan.com . After business hours, please feel free to call us if the matter is urgent.

What are we doing?

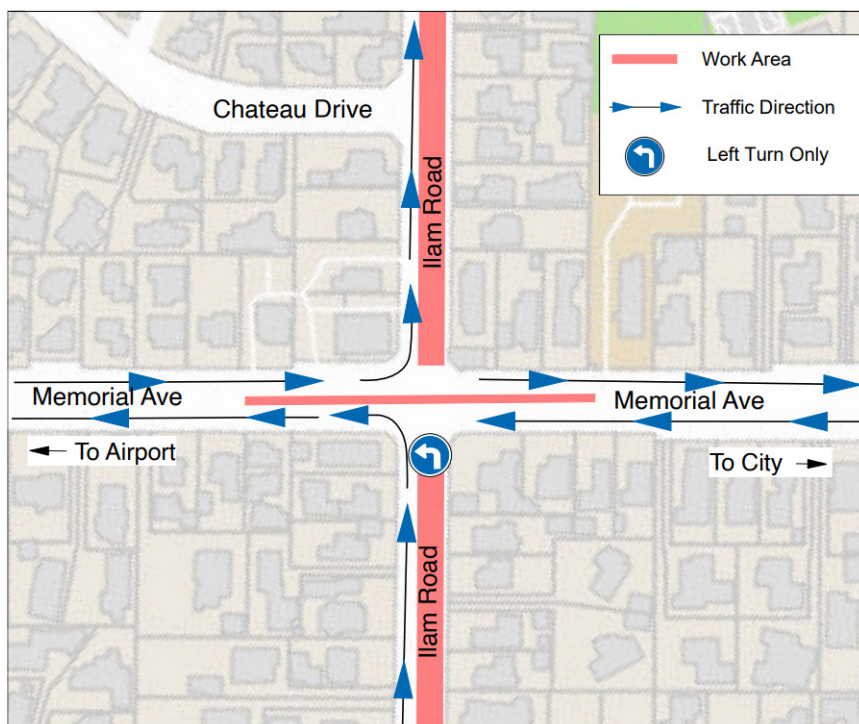

We are upgrading the traffic signal network at the Memorial Ave/Ilam Road intersection. Due to the nature of these upgrades, this work will require the traffic lights at this intersection to be temporarily turned off.

Traffic impacts

The straight through and right hand turning bays will be temporarily closed. Traffic will turn left only onto Memorial Ave from Ilam Road (west). The detour routes will be signposted.

Our friendly staff on site can also assist with any queries. Footpath access around our work site will be maintained.

A 30kph speed limit will be in place so we can keep our workers and everyone safe. Please keep an eye out for changes in traffic management.

We're sorry for any disruption and thank you for your patience.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.
