

Christchurch City Council Traffic Management Team

ICC Women's Cricket World Cup 2022

Roadworks Restrictions

Background

Due to the upcoming ICC Women's Cricket world cup matches to be held at Hagley Oval, it is necessary to place restrictions on works that may impact on the functionality and accessibility of the transport network in the surrounding area.

Restrictions to be implemented

- As part of these restrictions the ability to utilise Generic Traffic Management Plans (GTMPs) will not be an option within the area detailed on the map below. An accepted Site Specific Traffic Management Plan (TSP) or a Road Space Booking (RSB) will be required to utilise GTMPs in this area.
- Contractors with existing sites may be asked to reduce the impact or remove their site, a Temporary Traffic Management (TTM) Team member will make contact with contractors should worksite amendment or removal be required.
- Work activities may be permitted to continue where specific permission has been granted by a member of the CCC TTM team. Please contact the CCC TMC mailbox to request permission.
- Any layout, utilising a Generic TSP, added to MyWorksites prior to 14 March 2022 must apply for permission to remain in place between 14 March 2022 and 5 April 2022. Applications must be made by either by submitting a Road Space Booking or Site specific TSP for approval.

Restriction Dates

Restrictions apply to any works that are applied to be in place from 14 March 2022 through to 5 April 2022.

For any enquiries please contact the TTM team via TMC@ccc.govt.nz
