Roadworks Restrictions - National Remembrance Service

28 – 31 March 2019

Please be aware that a National Remembrance Service will be held in North Hagley Park on Friday 29 March 2019. This Event is likely to generate a substantial impact on the transport network and as such works will need to be restricted to ensure that the city transport network is able to function.

1. Contractors with accepted worksites may be asked to reduce their impact or remove the site for the day – a TMC will contact you should this be required.
2. Works utilising Service Agreements or Generic Plans within the CBD (Four Avenues Area) and the roads highlighted on the map are not permitted from 6pm Thursday 28 March to 6pm Sunday 31 March 2019, unless specific approval has been obtained.
3. Work activities may be permitted on a case-by-case basis. Please contact a TMC to discuss.

Operations on non-highlighted routes are not affected by the above.

Thank you in advance for your cooperation.

On behalf of the Temporary Traffic Management team.
