

SUMMARY - PLANNING FOR COVID PROTECTION FRAMEWORK (TRAFFIC LIGHTS)

Note - the requirement for vaccine passes and other public health messages may be reviewed depending on level of risk. Council will advise all staff and elected members and others visiting out facilities if changes are made.

	Green Limited community transmission and COVID-19 case numbers are at levels the health system can manage.	Orange Community transmission is increasing and putting pressure on the health system.	Red Health system is facing an unsustainable number of hospitalisations and action is needed to protect vulnerable people.
