DECISION ON THE PAPERS

[1] This is an application by **Crotalus Limited** for a renewal of an On-Licence in respect of premises situated at **50 Victoria Street, Christchurch**, known as **The Bog Irish Bar Christchurch**.

[2] The general nature of the premise is that of a tavern.

[3] The application was received by Christchurch District Licensing on 28 January 2015; therefore the criteria under s.131 of the Sale and Supply of Alcohol Act 2012 will apply.

[4] Public Notices were advertised on the 30 January 2015 and 2 February 2015 and objections were received concerning the hours of operation of the premises and the licensing of the public footpath. The objections were from a Mr Richard Bluett, Inner City West Neighbourhood Incorporated (ICON), Professor Robert Manthei and the Victoria Neighbourhood Association Inc (VNA).

[5] The Inspector, NZ Police and the Medical Officer of Health (Agencies) did not oppose the application but had negotiated a 12 month renewal of the licence with the applicant. This was due to concerns over the behaviour of the patrons and operation of the premises. This period would have allowed the Agencies to monitor the premises and should any concerns have arisen they could have been addressed in 12 months time rather than the customary period of 3 years for a renewal of a licence.

[6] As a result of the public objections the matter was set down for a Hearing on 15 June 2015. On 10 June 2015 the District Licensing Committee adjourned the Hearing to await the outcome of the proposed draft Local Alcohol Plan (LAP) to see what bearing that would have on this matter.

[7] On June 2015 a provisional LAP had been notified but this was subsequently appealed to the Alcohol Regulatory Licensing Authority (ARLA); with a current expectation that this will be heard later in 2016.

[8] In the meantime, due to negotiations having taken place between the Agencies, the objectors and the applicant concerning variation of the licence to allow for the use of the footpath, the application for variation was withdrawn.

[9] All the objectors also withdrew their objections to the application while making it clear they were pinning their hopes on a favourable outcome to the LAP when the appeal is heard by ARLA.

[10] While as mentioned, a 12 month renewal had been sought by the Agencies, as that period has now passed and as there has been an improvement in the behaviour and operation of the premises, they are no longer seeking a 12 month renewal period.

[11] I am satisfied as to the matters to which I must have regard as set out in s.131 of the Act and pursuant to s.211(1)(c) the Committee's attitude to this application is that it should be granted, I hereby grant the application for an On-licence pursuant to s.104(1).

[12] As there are no longer any matters raised in opposition I deal with the matter on the papers.

[13] No issues have been raised by the Agencies in regards to s 105 of the Act.

[14] I am satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and we grant the licence for a period of 3 years pursuant to s.104.

[15] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act. Specifically s.46 to 63 and 231(1).

[16] A **waiver** is sought and granted pursuant to s.208 of the Act in respect to the public notices being published in two different newspapers. I do not believe that this has disadvantaged the public.

[17] The applicant must comply with all conditions specified on a licence.

[18] The licence will be subject to the following conditions:-

**Compulsory conditions – section 110 (2)**

**The following conditions are compulsory:**

**(a) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.**

**IN THE MATTER** of **Cinco Limited** and application pursuant to s.136 of the Act for the granting of a Temporary Authority relating to the premises at **71 Main North Road, Christchurch** known as **Northlands Pak N Save**.

**BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING COMMITTEE**

Chairperson: Mr PR Rogers  
Members: Messrs R Wilson and G Buchanan

**DECISION 'ON THE PAPERS'**

[1] This is an application by **Cinco Limited** for a Temporary Authority for an Off-licence made under section 136 of the Act in respect of premises known as **Northlands Pak N Save** located at **71 Main North Road, Christchurch**, and trading under Off-licence number 060/OFF/70/2006. The licence being current until 13 December 2016. This being the second authority, the first one is due to expire on 1 June 2016.

[2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police.

[5] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[6] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".
